

**Stop The Dues Now**

# **Governor Brown's Law Will Break Sweetheart Contracts**

Contracts made against the will of the workers are not worth scrap paper. They pretend to serve the worker but they take away the right to choose. The **Teamster Sweetheart Contracts** were signed behind the backs of the workers. They came in and did the choosing without giving us a say in who represents us.

But everything has its time. And the time of the old time bosses is gone. If we are really honest with ourselves we can see that this is not the kind of organizing that we want. We want a fair share in negotiating our own contracts.

Governor Brown's new farm-worker law is going to guarantee us the right to break the **Teamster Sweetheart Contracts** by giving us the chance of electing the decent and honest representation that we need.

But we can start right now by not paying these bootleggers any more protection money. We got to stop paying dues.

And we know that when elections come the **Teamster Sweetheart Contracts** that are hanging like nooses around our necks are going to be lifted and we are going to see the beginning of a brighter future for our families.

**STOP  
THE  
DUES!!!**

**We Want  
Just  
Representation!!!**

# No Llora Porque Te Vas, Sino Porque No Te Has Ido

Así les decimos ahora a los Teamsters, mientras todavía tenemos que aguantar su opresión en los files. Pero esto sólo durará un tiempo más: hasta que se hagan las elecciones.

Cuando se ponga en efecto la ley Brown, se harán elecciones en los files y los campesinos tendremos la oportunidad de votar en contra de los burócratas Teamsters.

Pero hay que darle un golpe al arado ahora mismo. Y la mejor manera de hacerlo es no pagando las cuotas que van a llenar los bolsillos de Fitzsimmons y "sus amigos".

Hermanas y hermanos: ¡empecemos ahora!

Cuando lleguen las elecciones podremos sacar fuera de los files a los zánganos que nos han pisoteado durante tanto tiempo. Pero ahorita mismo podemos comenzar la movida. Y ahorita mismo debemos empezarla. Por eso, no paguemos más las cuotas a los Teamsters.

¡No paguemos más las cuotas a los Teamsters! Sigamos de mostrando que SI SE PUEDE! Arriba el espíritu y no colaboremos con sus maniobras injustas dándonos nuestro dinero!

# Have freedom of choice sign a ufw card now

Gallo and his puppets are doing everything possible so you will not know your rights under the new secret ballot election law.

The United Farm Workers explain our rights to the workers so we may be able to use the law and defend ourselves from abuses. You are free to ask for the Secret Ballot elections either by petition or by authorization card without pressure or threats. YOU HAVE THE RIGHT TO SIGN THE PETITION CARD OF THE UNITED FARM WORKERS ALTHOUGH YOU MAY HAVE ALREADY SIGNED THE PETITION PASSED BY THE PUPPETS -- the group that protects the Boss known in these parts by name of Teamsters.

It is perfectly legal to sign both cards.
